ADDITIONAL IMPROVEMENTS

- 7. Both parties recognize that the use of the above-mentioned parks is for the general public, and thus, all use thereof is solely with the consent of the City. It is further recognized, however, that the Association would like the City to consider allowing them to provide additional amenities in the park, which would make the Association's use for youth football more beneficial. It is further understood that any permanent improvement placed in the park by the Association, with the City's approval, shall thereafter belong to the City.
- 8. The Association is authorized to perform routine maintenance and necessary improvements within the approved football field area, including but not limited to general upkeep and the use of its own equipment. Any proposed improvements, whether temporary or permanent, must receive prior approval from the Parks and Recreation Director and, if required, the United States Army Corps of Engineers.

The Association shall be responsible for any damage resulting from its maintenance activities or improvements. If damage occurs and repairs are not completed in a timely manner, as determined by the City, the City may perform or contract for the necessary repairs, and the Association agrees to reimburse the City for all costs incurred. Additionally, the Association is responsible for the proper disposal of all materials and waste generated from its maintenance or improvement activities.

All approved permanent improvements shall become the property of the City upon completion

ADVERTISING AND FUND-RAISING

11. The Association has the right to place team banners around the field during the defined season of July 29-November 15, 2026. These banners will be removed after the season.

ADA ACCOMMODATIONS

12. The association shall make reasonable accommodations for spectators and participants with disabilities when notified that such a need exists.

BREACH OF CONTRACT

13. In the event either the Association or the City remains in breach of this contract after receiving ten (10) days' written notice of such breach from the other party, then the non-breaching party may declare this contract null and void by notifying the breaching party in writing.

CHANGE IN THE USE OF FIELDS

14. The Association is the only organized football entity using the City's football fields. The City intends to allow the widest possible use of its municipal parks and to attempt to resolve any conflicts in their use. In the event, however, that other football associations request the use of the City's football fields and conflicts with the terms of this contract, which cannot be reasonably resolved, then the City reserves the right to terminate this contract by delivering written notice on or before December 31st of such year.

PUBLIC RESTROOM FACILITIES

15. All public restroom facilities in City parks are open to the public from April 15 to October 15.
