ATTENTION CUSTOMERS:

NEW UTILITY RATES GO INTO EFFECT NOVEMBER 1, 2026

The City of Smithville Board of Aldermen has approved an updated Schedule of Fees, including utility rate increases effective November 1, 2026. The City did not implement a water or wastewater rate increase in 2026 because it chose to complete a comprehensive utility rate study, conducted by an outside consultant, before making additional rate adjustments. For more information, please visit the City's website or scan the QR code below.

The example below reflects usage of 5,000 gallons of water and wastewater per month.
